

FY13N EMIS Updates & Reminders

Teresa Williams
NWOCA/SSDT
Spring 2013

Submission Requirements

- All submission requirements will be in place
 - May 31 measure day
 - June 14 out of compliance
 - Full set of measures
 - Includes measures for alternate assessments and those not tested

Spring Casino Count

- Count day is May 10th
 - ODE will use data submitted at the close of Year-end (N)
 - Looks at the FS for the record effective on May 10th
 - The value for County of Residence on that record will be used
 - Change in this value requires an FS history record
 - No DC record in data collector for this cycle
 - New report will be generated by ODE to assist with review of accuracy on this value
 - Special rules for data and tire breakers
 - JVSD get credit as well as traditional districts
 - Gets submitted to Department of Taxation in August

Court Placement

- Students placed in institution and ESC is educating and billing district for costs
 - District being billed uses sent reason = “CE”
 - Enters ESC IRN as sent to IRN

Third Grade Reading Guarantee

- Students in KG – 03 are given diagnostic tests for Reading, Math and Writing
 - Used to determine if student is on track or not on track
 - Values added to FN record, FN360, FN370, FN380
 - ** = N/A
 - RN = Required, not completed
 - AO = Assessed, on track
 - NO = Assessed, not on track
 - One for each test
 - Individual scores not being reported

Third Grade Reading Guarantee

- Assessments must be given by Sept 30th or 30 calendar days within enrollment
- If not enrolled for 30 days before school ends
 - Assessment is given in the fall of next year

Third Grade Reading Guarantee

- If enrolled for 30 days and not assessed
 - Report as not-assessed to prevent critical error
 - Will appear on ODE reports as missing
 - Reading required for KG and will flag errors
 - Reading & Writing required for grade 3 and will flag errors
 - All assessments required for grade 1 and 2 and will flag errors

Third Grade Reading Guarantee

- Students not on track in Reading must have Reading Intervention and Monitoring Program
 - Establish within 90 days of determination not on track
 - No reporting requirements this was met
 - Will use Program Codes (GQ) records to report this program
 - 12-15 new program codes; 15**** series
 - Even if the assessment was not completed on time
 - Report program codes anyway
 - Does not require staff ID or provider IRN

Third Grade Reading Guarantee

- Has no impact on OAA reporting requirements
 - Fall has 3rd grade reading OAA
 - Spring OAA test + new FN elements
- All students grade 4 and up must have Not Tested values reported
- This requirements includes Special Ed students
- The new FN elements will not be in the data collector until the end of May

Third Grade Reading Guarantee

- Not on the building or district testing records
- Results can transfer with student if desired
- Do not include open enrolled out students in resident district data
- There will be some exceptions
 - Watch guide for those details

PE Performance Measure

- Reported as a summative count
- Reported on various grade bands
 - K-2
 - 3-5
 - 6-8
 - 9-12
 - Each student is reported in a grade band once
 - District policy decides what grade is used

PE Performance Measure

- Grade bands; continued
 - Each band has 3 performance levels as well as not evaluated
 - All options repeat for each grade band
 - Include on DL record
- On report card in FY13 as additional information
- Any checks in the data collector will be based on tolerance

Wellness Policy

- Added to DN record
- Will be 2 values
 - Y = Yes, district has wellness policy in place
 - N = No, district does not have wellness policy in place

John Peterson Scholarship

- ODE handled this data internally for 13K need more from districts for 13N
- New Sent To reason
 - “JP”
- New How Received Reason
 - 2 districts in Ohio will need this value
 - Students in John Peterson can be sent back to traditional district
 - “R” / Resident IRN

John Peterson Scholarship

- Non-public students with a John Peterson attending the public entity for services is reported the same as any other case of this nature
 - How Received = “6”

New GE Events

- Amendments
 - AIEP
 - Amendments to IEPs
 - Can't use this to extend an IEP
 - ODE only needs reported the ones that impact something EMIS Specific
 - Many amended IEPs are more than ODE cares about
 - Does not reset timelines
 - Does not allow a back date of IEP

New GE Events

- Service Plans
 - IISP
 - RISP
 - Only for non-pub students you report services for
 - Not for students that district did not place in the non-pub
 - IE39
 - No transition plan, test type, FE
 - Compliance timelines exist same as IEP
- Records dated back to June 2012 will be accepted for both

New GE Outcome

- New Outcome code
 - IE21
 - Student that is sent to a correctional facility
 - Not DYS
 - Not JDC
 - More detail soon

Attending Building Next Year

- Element on FN
 - FN390
 - Report for any student not withdrawn at year-end
 - Must be a building within your district
 - Not needed for graduates
 - Used for test re-rostering process
 - Won't be 100% accurate
 - Districts ask to report as accurate as possible
 - Reported as assistance only to testing process
 - Default will be “*****”
 - No penalty or errors if value is not populated

Tech Prep Completer

- The Tech Prep Completer element has been eliminated for 13N reporting

New Alternate Assessments Process

- Districts will report scaled scores for FY13
 - Not raw scores
 - Raw scores for pre FY13 tests only
 - Scaled scores for FY13 and beyond
 - Testing vendors are aware of this change
 - ODE will map to the Proficient ratings based on test date

New USAS Coding

- Optional reporting for FY13 reporting as part of “H” (Financial) cycle
 - New codes
 - Removed codes
 - Most are related to new ranking and Expenditure Flow Model
 - There will be new reports as part of “H”
 - More detail will be provided to district Treasurers

Questions

Reminders

EMIS-R

- Upload data files to correct flat file folder
- Mark SIF reporting box
 - USPS/Staff data
- Select manifest for 13N
- Use the Preview before every submission
 - Check counts for all record types against prior submission

Year-end (N) Only Data

- Gifted data not always reported with accuracy
 - Could have a bigger impact to districts than in the past
- Program Codes
 - Report these as needed
- Testing records
- DN and DL elements
- FN elements
- Etc ...

Related

- New version of EMISFFE must be used
 - <https://ssdt.esu.k12.oh.us/emisffe2/ffeUser/login>
- 13D will open 2-3 weeks after 12G closes
 - ODE will provide ITC with records that need follow-up for this reporting
- Wiki document on how to check attendance
- Withdrawal students properly
 - Status = 41, 99, 36, 37, etc.

Reports

- Review Post Processing reports
 - Email is sent when these are distributed
- Review SDC reports before the reporting period closes
- EMIS-R data submitted affects other reports
 - Costs per pupil
 - Financial reports
