We wanted to review this record and highlight certain fields as this record plays important roles in multiple EMIS reporting periods including October, Yearend, Graduate and March Follow-up.

**Note:** If you review your preview report/s from the data collector, you can see which fields are being collected for a reporting period.

Non Attending Reason and Retained Status fields are collected in the October reporting period.

Grade Level, Next Year is collected in the Yearend reporting period – make sure you mass update or manually update this field, if you have not already done so yet. (Remember when ODE sees the FD State Equivalent Grade Level and the Grade Level, Next Year reported with the same value during the Yearend EMIS reporting, they treat the student as retained.)

Diploma Date and Diploma Type are collected in the Graduate reporting period.

Fiscal Year Student Began 9<sup>th</sup> Grade is collected in the Yearend and Graduate reporting periods

Math, Reading and Writing Diagnostic Result Codes fields are collected in October and Yearend reporting periods.

FN PowerSchool fields for use with student field update for 3<sup>rd</sup> grade reading guarantee
